

Inelco Grinders' Trolley

Get a trolley for your Tungsten grinder and welding essentials.

Keep your essentials within reach with our trolley. Designed to carry your Tungsten grinder, grinding liquid, spare parts, helmet, Tungsten electrodes, and more - all in one place. Sturdy, compact, and easy to move, this trolley follows you around the workshop, so you can focus on the job, not on finding your tools.

With the trolley you can bring the Ultima-TIG® grinder with you. The enclosed grinding chamber keeps dust off the floor and out of your lungs, while ensuring precise electrodes for top-quality welding.

**Use it anywhere around your
workshop**

Advantages of the Inelco Grinders trolley :

- ✓ Bring everything you need with you
